Intro (4 beats each chord): [C5] [F] [C5] [G]

[C5] Life goes on, [F] sometimes it feels like everything's wrong.

I [C5] wish it was clear, been foggy way too [G] long.

It's been [C5] raining all day, I'm missing the sun,

[F] All by myself, haven't seen anyone.

[C5] Wond'ring is there [G] joy in the [C5] storm.

I'm [C5] stuck inside trying to make this my home

See the [F] lightning flash, hear the thunder boom,

[C5] Trying to find joy in the [G] storm.

I [C5] want to wander, I need to roam

It [F] might sound corny but how I long

To [C5] find someone to [G] dance with me in the [C5] storm.

I [C5] want to meet people in faraway places

[F] Cut through the haze and see their faces

[C5] Find a way to connect in this [G] storm.

I need to [C5] touch a hand, step together in time

[F] Twirl freely, sing without rhyme

[C5] Oh, to [G] dance through the [C5] storm.

[F] Oh, life gets crazy

[C5] Sometimes I just want to be lazy

[C5] How many days can this go [G] on?

[C5] I know I've got to shake this feeling

[F] Time to let go move on to healing

[C5] [G] Let my spirit [C5] soar.

[C5] Life goes on.

[F] Run outside, dance in the storm

[C5] Chase the clouds a[G]way

Let [C5] go of my fear, get soaked to the skin

Get [F] rain in my hair, shed my blues in the wind

[C5] Finding [G] joy in the [C5] storm.

[F] Oh, life gets crazy

[C5] Sometimes I just want to be lazy

How many [C5] days can this go [G] on?

[C5] I know I've got to shake this feeling

[F] Time to let go, move on to healing

[C5] Make-room for [G] joy in my [C5] heart.

[C5] Oh, Life goes on

[F] Learn-how-to-find-joy in the storm

[C5] Go out and dance in the [G] rain.

[C5] Oh, Life goes on, [F] Finding joy in the storm,

[F] Go out and [G] dance in the [C5] rain,

[F] Go out and [G] dance in the [C5] rain.
