**By six o'clock, the whole damn beach is buzzin'
Everybody bring your tutu and you cousin.
If you got an old guitar why don't you bring it.
And if you don't know the song, you'll have to wing it.**

Surf instructors, outrigger canoe paddlers, friends to all, the legendary beach boys of Waikiki are also often times excellent musicians. This original Christmas song by longtime beach boy Parker Cummings expresses the uniqueness of Christmas in the Islands. Dennis Kamakahi dedicates this beautiful vocal version *me ke aloha pumehana* (with warm love) to the late longtime bandmate Joe Marshall (1928-1993), bassist for the Sons of Hawai'i.
