1967 B-side to "Only A Smile"

[Chorus]
```
      G       C                       D
The tide is high but I'm holding on
G                      C          D
I'm gonna be your number one
G
I'm not the kinda man
C                  D         G     C   D
Who gives up just like that, no o-o-oh
```

[Verse 1]
```
G
It's not the things you do, that
          C          D
really hurts me bad
G
But it's the way you do the things
      C       D
you do to me
G                            C
I'm not the kinda man who gives up
D          G     C  D
just like that, no o-o-oh
```

[Bridge]
```
G                            C        D
The tide is high but I'm holding on
G                      C          D
I'm gonna be your number one
C           D      C          D
Number one, number one
```

```
G                                C        D
Every man wants you to be his girl
G                                  C     D
But I'll wait, my dear, 'til it's my turn
G                              C
I'm not the kinda man who gives up
D           G    C    D
just like that, no o-o-oh
```

I'm gonna be your number one
G                            C        D
The tide is high but I'm holding on

I'm gonna be your number one
